...yes

Knowledge is not always a good thing

Knowledge is power

especially  
for the world  
it can become  
a dangerous  
weapon

one becomes  
the lord of  
Asphodel

I don't want to  
be ignorant of my  
own power

I've already  
regretted it  
once before

I want to learn  
all that I can.

as you wish.

please remember that  
I did try to stop you.

SLAM!

It is possible  
for you to make  
one. However,

that's quite  
advanced so let us  
start off with the  
basics.

Sure

Please activate  
the Dragon Pearl.

Activate.

The clear floor wall represents the Dragon's power.

Even among dragon artifacts, only named ones emit floor walls.

Mine isn't "named", so only the core glows like this.

While you're in  
the photo, you can  
transfer the image  
forward in your mind  
into the flame veil.

Using the  
word "Tillr".

Do you  
remember where  
you found that  
glitter along  
Dashed?

Yes.

How did  
you do it?

I just thought that  
if I needed to travel  
a great distance to  
reach those glays.

It would be  
convenient for me to  
use a glay.

Can you  
materialize it  
again?

Yes...

Ruh?

I don't know  
how I did it.

You probably  
felt a sense of urgency  
at that moment,

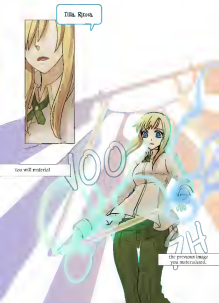

and the surrounding  
environment suggested  
that a glider would  
best support you.

Now, we are  
on ground level and  
you are crouching, so it will  
be more difficult.

In this state,  
the "deflection"  
will occur almost  
naturally.

There is a good  
command to use  
in this situation.

If you want to  
cancel or change  
it now...

THANKS A LOT!

Now look, honey:  
we'll sit back and  
watch from here.

You there.

I wonder if that's why they only focus on their Kingdom?

Let's talk at break

When I first  
met Katsuki, I just  
said "Puny"

in my language.

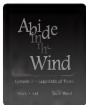

Illustration: Katsuragi

Python Brand: Spring, made with a jacket, comfortable and light work clothes.

Katsuragi knows all the  
venues of the world.  
It is a world for a  
traveler, a traveler  
knows lodge for you  
that is a world for a traveler.

We can hear if you are  
hungry, sleepy or even  
when you need to go  
to the bathroom.

We know it all.
